

MILESTONE Customer Credit Incentive Program

What is the Customer Credit Incentive Program (CCIP)?

The CCIP rewards Milestone customers that increase the number of chassis they lease chassis from us on short-term leases through ChassisFinder. This incentive is in the form of a customer credit based on the percentage of increased chassis compared to the prior month.

When is the timeframe for the CCIP?

The CCIP runs from July 1 – August 31, 2020 with the credits based on this timeframe:

- Credits from increased chassis in July over June applied to August invoice
- Credits from increased chassis in August over July applied to September invoice

Who is eligible for the CCIP?

- Customers registered AND credit-approved for short-term leases in ChassisFinder.com.
- Customers must NOT be over 30 days past due on their ChassisFinder account.
- Individuals must be authorized to make bookings via ChassisFinder for their company.

How does an eligible customer register for the CCIP?

- Go to www.ChassisFinder.com and complete online registration form on the homepage.
- Complete the form by providing a valid SCAC, and your company name and Email.
- Submit the form to ChassisFinder for accuracy/validity review, and registration in CCIP.
- Registration info will be forwarded to your Milestone Sales Representative for follow up.

How is the credit for the CCIP calculated?

- Eligible customers with more chassis on short-term lease during the month will be issued a credit on the following month's invoice based on these tiers:
 - 50%+ increase = 7% credit
 - 25%+ increase = 5% credit
 - 10%+ increase = 2% credit
- Customers must meet the minimum amount of 10% to be eligible.

How do I get more information on the CCIP?

Please contact your Milestone Sales Representative for more information or assistance. Additional information is also available on ChassisFinder.com.
